

TPI Composites, Inc. Announces Advanced Technology Center in Kolding, Denmark

November 15, 2017 04:10 PM

SCOTTSDALE, Ariz., Nov. 15, 2017 (GLOBE NEWSWIRE) -- TPI Composites, Inc., (TPI) (Nasdaq:TPIC), the only independent manufacturer of composite wind blades with a global footprint, announced today that it is establishing an advanced technology center in Kolding, Denmark to enhance its technical capabilities and to serve its European customer base. TPI expects that the advanced technology center will open in the first quarter of 2018.

Steve Lockard, TPI's President and CEO commented, "Establishing this center will strengthen our engineering and technical resources to support our long-term growth."

"We look forward to building our engineering and technical capabilities in Europe which will enable us to collaborate more effectively on technology initiatives with our customers," added Ramesh Gopalakrishnan, TPI's Senior Vice President – Technology and Industrialization.

About TPI Composites, Inc.
